Dear ISCA Community,

Welcome to Spring in Indian Spring! This is such a lovely time of the year to be an Indian Spring resident. I love seeing the gardens and trees in bloom in our neighbors' yards. The spring colors bursting all around us, along with the warmer weather, means that our neighbors will be out in force, walking dogs, jogging, hiking in Northwest Branch, and strolling along Sligo Creek Park.

This brief newsletter serves as a reminder about a few important issues:

- First, our annual **Membership Meeting and Election** will be held **April 25, 2019 at 7:00 PM at Christ Congregational Church**. Please join us for this important meeting. Your Nominating Committee is developing a recommend slate of officers, and nominations are welcome from the floor at the meeting.

- Secondly, your **dues were due by January 1, 2019** for this year. If you have not paid yet, please do so at our NEW and beautiful Web site www.iscaonline.com, or by completing and mailing the short form on the reverse side of this newsletter.

- Finally, much work is being done by your neighbors about the real potential of **Beltway expansion**. I urge you to join the fight! Stay in touch with Citizens Against Beltway Expansion (CABE) online at www.cabe495.com or on Facebook using the full name.

Please be aware that most of our ISCA communications are conducted through the **ISCA listserv**. You can join the listserv on our Web site, and opt for a daily digest only, if you want to be able to scan the subject lines and select which emails to read.

As always, we welcome your input on all aspects of the Association. Don't hesitate to reach out to me, or any of the Executive Board Members listed on this page.

Warmest regards,

Ann Horton
ISCA Board President
