Taste Of Indian Spring — March 30

Council member Valerie Ervin and ISCA President Gottlieb host monthly meeting (Toba Hausner photo).

New Street Signs

By Bob Tiller

The county has installed several new street-name signs on East Indian Spring Drive to help eliminate any confusion with Indian Spring Drive, making it easier to differentiate between the two. Thanks to Councilmember Valerie Ervin and her staff for their assistance in getting this accomplished!

The Taste of Indian Spring is March 30th!

By Holly Rothrock

The annual ISCA Taste of Indian Spring is scheduled for Monday, March 30th at 6:30 p.m. in the Highland View Elementary School All-Purpose Room. We are looking forward to seeing many of our neighbors who we haven't seen over this year's cold winter season. Thanks to the cooperative efforts of the Highland View PTA and Highland View Staff, our location at the school offers lots of space for us to socialize, get to know our local restaurants better, and contribute to a community-building effort. As with last year, the gymnasium will be open for the kids to run around.

This event is FREE to all current ISCA members. There will be an opportunity to renew your ISCA membership at the event. **Please remember, membership dues are increasing to \$15.00 per family this year.** (See also an article about ISCA dues on page 5 of this newsletter.)

We have had a great response from the restaurant community thus far. Restaurants that are participating include:

- Across the Street Café
- Chic-Fil-A
- Cold Stone Creamery
- Dream Dinners will bring an assembled dish (This is a time-saving meal preparation service, you can assemble dinners yourself, or have them made for you to take home to enjoy.)
- Jerry's Subs and Pizza/Carvel Ice Cream
- McGinty's Pub
- Z Pizza

We want to give a special thank you to the restaurants for making this event possible.

FIRST OF ALL, congratulations to Celeste Raker-Dillen and her family on the birth of their new son! Celeste, of course, is an ISCA Board Member and erstwhile chairperson of our Social Committee, which brings you the Fall Fest and Taste of Indian Spring, among other events.

Thanks to ISCA Secretary and Board Member Allegra Tasaki for helping to coordinate this year's Taste, and kudos to the community volunteers and Social Committee members who are making it all happen. The Taste is set

for Monday, March 30th, 6:30 p.m., at Highland View Elementary School. It's always a treat and a great chance to catch up with Indian Spring neighbors, so I'll look forward to seeing you all there.

I think the spirit of volunteerism and involvement in the community is one of the things that makes this such a great neighborhood. As we approach the Spring season, I'd like to make a special appeal for new people to become involved in ISCA—whether by serving on the Board or volunteering for one of the committees that does such wonderful work for this community.

In the coming months, I and some of my fellow Board members may approach you and ask if you would like to devote some time to ISCA. We know everyone's super-busy juggling

work, family, school, and activities (or some combination thereof). But even a small investment of time can be rewarding.

We're going to need new Board members, new officers, people to help coordinate Neighborhood Watch and even the newsletter that comes to your mailbox every month.

I can tell you from personal experience how gratifying it is to be part of ISCA's leadership. It's a great way to do something for the community—and to connect to neighbors you don't yet know or will get to know better.

Personally, I'm looking forward to my favorite season in Indian Spring, and to talking with you further about getting involved with ISCA. Now if all this snow and ice will just melt away...

See you at the Taste. And Happy (Almost) Spring.

*... the spirit of
volunteerism and
involvement in the
community is one of
the things that makes
this such a great
neighborhood.*

Celebrate Earth Day Weekend with a Clean Neighborhood!

By Eileen Fisher

Join your friends and neighbors in keeping our neighborhood sparkling and litter-free. **The annual ISCA Neighborhood Clean-Up will be held on Saturday April 18.** Volunteers will meet at the Indian Spring Recreation Center at 1:00 pm and form clean-up teams to tidy up areas around the neighborhood including: the playground area, the Hastings Drive entry, the wooded areas bordering the sound barrier, along the stream in the part of ISCA that is South of Franklin Avenue, and the triangle at Colesville Road and Franklin Avenue. Please dress appropriately for mud and potential poison ivy. **Rain date will be Sunday April 19—same time, same meeting place.** Please sign up in advance so that we

Non-native Garlic Mustard (invasivespeciesinfo.gov)

can estimate supplies and snacks, but walk-ups are always welcome!

Please also note:

- In addition, we will be participating in a county-wide effort to rid our area of the non-native, invasive garlic mustard plant that is crowding out our native plants and trees. Garlic Mustard is easy to identify and easy to pull. As part of the “Garlic Mustard Challenge,” we will bring the bags of garlic mustard ISCA pulls

up to be weighed—if we pick the most, we win a prize.

- Students can earn community service points by participating in the clean-up, and we will have forms on hand.

Please contact Eileen Fisher at eileenfisher@yahoo.com to join the cleaning fun

Taste of ISCA, *continued from page 1*

While the restaurants are important, the ISCA Social Committee requests that all attendees should also bring a dish to share; and we recommend that last names beginning with **A-I bring salads, J-N serve side dishes, and O-Z provide desserts**; another very welcome option is to bring your own favorite specialty.

Help us make this event a great success by **VOLUNTEERING!** Helping hands are needed for the following areas:

1. Set up: Volunteers are needed to help assemble and arrange tables, facilitate lines, and help direct our neighbors to appropriate areas onsite.

2. Food Service: The more Volunteer Servers we can get to help with the food, the more everyone gets to enjoy the festivities, so please contact Allegra Tasaki to make a commitment to your neighborhood!

3. Clean up: Very large garbage bags and a few brooms will be provided to help with this effort. Volunteer today to ensure that we will be able to leave the Highland View Elementary School All-Purpose

room in great condition, so that we may opportunities to use the facility in the future.

Email Allegra Tasaki today, at tasaking@verizon.net, or call at 301-565-8377 (TERP) to sign up. This is a really fun neighborhood tradition celebrating good food and good friends. Mark your calendar and we'll see you there!

Scholarship Opportunity for High School Seniors in Indian Spring

A \$3,000 College Scholarship has been announced for graduating seniors in the 20901 and 20910 zip codes sponsored by former resident and neighborhood realtor Rhonda Mortensen, founder of The Rhonda Mortensen Group. Rhonda says, "2008 was a record year for our team and this is the right time to give back to the community we love."

"Establishing an annual scholarship is something I've thought about for many years," said Rhonda. "With one son in college now and two kids not far behind, it seems like the right type of 'stimulus' for our neighbors who have enabled my group to become Long & Foster's #1 Silver Spring team. We are very grateful."

Applicants must be graduating seniors accepted to a Junior or Four-Year college for the 2009-2010 academic year with a minimum 3.0 High School GPA. Applications will be judged on a 300-word essay on the importance of a 'positive attitude' on your life and successes, the importance of maintaining a positive attitude, the role a positive attitude has played in your life to date and the role you see a positive attitude playing in your future. Along with the essay, students should send in the application form, and a school transcript to Rhonda Mortensen, Long & Foster, Inc. at Bethesda Gateway Office, 4650 East-West Highway, Bethesda, MD 20814. In addition, students should have three letters of recommendation reflecting the applicant's positive attitude sent directly to the address above. The deadline for all materials is May 1, 2009. The winner will be notified on May 15, 2009. **Application forms and complete details about the scholarship are available at www.helpmerhondarealestate.com.** (See ad on page 3.)

Staging your Home Gets Top \$

Properly preparing a home for the market is one of the most crucial factors in getting your home sold quickly and for the most amount of money possible. The goal of home staging is to create a warm and comfortable, clutter free environment that creates an emotional connection with a buyer. Home Staging is not decorating, fluffing, interior design or redesign! Home Staging is detailing, decluttering, depersonalizing and preparing your home to give it a "model home" appearance so that a potential buyer can "see" themselves living in the home. Savvy home sellers understand that in order to get offers quickly and top dollar for their homes, in the least amount of time, they need to stage their properties. I work closely with all of my sellers to create a recommendation list of home improvements to maximize the appeal of each and every room and then I bring in our staging crew to transform their homes into a showplace that buyers can't resist!

Tom, I want to tell you that we've received a lot of positive feedback from neighbors saying how great our house showed this past weekend. I've told them that we followed every single one of your recommendations to the best of our ability. That was \$0000 important. I tell everyone that I cannot stress that enough!

- Julie & Patrick Bellgowan

"Thank you Tom for all the work you did getting our house on the market and sold quickly. And a special thanks to your team for their professionalism, get it done attitude and all the time they spent getting our house staged for sale. It was a pleasure working with them and you during this time."
