Stay Informed: HVES PTA Paying Attention to the Budget Process

We began the New Year with a well-attended PTA meeting on January 5th that focused on the Superintendent's Proposed Operating Budget for FY2011, reviewing the process and potential impact on Highland View as well as others in the Down County Consortium (DCC). Unfortunately, many of the proposed cuts (if the budget is not fully funded) disproportionately impact our neighborhood and cluster schools in the DCC.

SSIMS Jumping Jaguars Host the Harlem Wizards

Stephanie Helsing

On January 15th the SSI staff and students took on the Harlem Wizards for a fun filled night of basketball. More than 500 people watched a 2-hour game/show full of tricks, some hoops and lots of laughs.

Many, many thanks to ALL of the volunteers who helped to make this event possible. Volunteers got up early to sell tickets before school started, survived lunch time chaos, sold food and concessions to hungry kids, and sat freezing by the entry to the gym on game night. We made about \$1000. YEAH!

SSI Arts Night and Silent Auction

“Painless” Fundraising for Local Schools

Jay Goldman

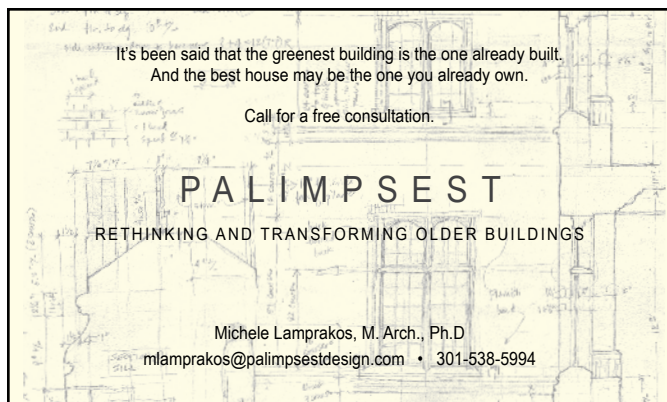

Northwood High School is seeking the help of ISCA residents in the school’s “painless” fundraising program in 2009–10. You can help when you do your grocery shopping each week through these three ways:

- 1) **Snider’s receipts.** Round up your receipts, put them in an envelope and get in touch with Northwood fund-raising chair Carol Smalls at carols@sprintmail.com for pickup of your receipts.
- 2) **Safeway’s Customer Service line (1-877-SAFEWAY).** Call to obtain your Safeway card number if you don’t know it (you need your card number to register for Safeway’s school program thru eScrip). You also can call to update your Safeway profile—such as if you

had moved/changed your phone number after getting your Safeway card. Then you’ll be able to use your current phone number at the store if you don’t have your card. After you get your card number, Carol Smalls can sign you up for the school program. Or simply register your card at www.escrip.com.

- 3) **BonusCard for Giant’s A+ BonusBucks program.** Register at www.giantfood.com/aplus (Northwood’s school code is 04641; you can select up to three schools). Annual card registration is required. If you want Giant to register your card, call 877-ASK-APLUS

*So far this school year, the Giant and eScrip programs have raised over \$7,000 for Northwood. **

“Next Stop: Silver Spring” Receives Award!

Silver Spring based filmmaker Walter J. Gottlieb’s documentary, “Next Stop: Silver Spring” has been awarded “Best Outside DC Documentary” by Washington’s Our City Film Festival.

The film, about the history and restoration of the Silver Spring Baltimore & Ohio Railroad Station, will screen at the Our City Festival along with one of Gottlieb’s other films, “Shepherd Park: Past and Present” at the Goethe Institute in Washington, DC on Sunday, February 14th.

The festival, sponsored by the nonprofit Yachad organization, celebrates D.C. and aims to instill a sense of pride in the city through film. **Ticket info at ourcityfilmfestival.com or 202-296-8563.**

#1 NORTHGATE REALTY AGENT

SILVER SPRING TOP PRODUCER

AND YOUR INDIAN SPRING NEIGHBOR SINCE 1993

**Residential Home Sales
20901 Zip Code**

Close-In Silver Spring Sales Increase in 2009 but Prices Continue to Decline

Existing residential home sales in the close-in Silver Spring neighborhoods witnessed positive growth last year for the first time since 2004 but average and median sales prices continued to decline for the third straight year.

The total number of units sold in the 20901 zip code increased by 20.49% in 2009 over the previous year's sales and average days on market was down by almost 21%. However, the average price for existing-home sales – including single-family, townhomes, condominiums and co-ops – fell again last year by 7.54% and the median list price (for units sold) also decreased by over 5%.

Many agents and analysts are attributing the increased buyer activity to the stimulus package's First Time Homebuyer Tax Credit that is due to expire this year. The original tax credit of up to \$8,000 was limited to first time home buyers but the new credit also includes a provision for up to \$6,500 for move-up buyers. The new tax credit applies for contracts signed before April 30, 2010 with settlement occurring before June 30, 2010.

Currently, the inventory of available homes for sale is at near record lows and buyer activity remains strong. These factors alone indicate that we're in for a strong 2010 Spring Market!

Silver Spring - 20901

	2008	2009	% Change
Total Units Sold	288	347	20.49%
Average List Price	\$406,713	\$376,065	-7.54%
Average Sold Price	\$393,851	\$365,761	-7.13%
Median Sold Price	\$385,000	\$365,000	-5.19%
Average Days on Market	105	83	-20.95%
Average Sale Price as a percentage of Avg. List Price	96.84%	97.26%

Energy Audits

Joyce Stocker

In November, I hired an Energy Audit Company. The auditor came prepared with a lot of equipment to assess our house. But the first thing he did was examine a year's worth of my utility bills. He then thoroughly examined the house, inside and out, from the basement and garage to the attic. He explained that leaves caught in the "valley"s of the roof would become wet with rain, and eventually freeze possibly lifting up the roof tiles. He examined the landscaping and found areas where moss is growing on the house indicating that moisture needed to be drained away from the foundation. I knew my attic needed insulation, but I hadn't thought about insulating my water heater. He discovered many airleaks around plumbing and light switches. I wasn't aware that a basement window wasn't locking completely because ivy vines had become caught in the frame. He even suggested that perhaps I didn't need my big freezer in the basement any more. After inspecting the furnace, he suggested that I start saving for a replacement. Sure enough, the furnace "died" a few weeks ago, after 24 years of faithful service—but during the coldest days I can recall in this area!

The audit took about 6 hours, after which the auditor sat with me to review his findings and make sug-

gestions. He left me with a handwritten list of items to consider.

I felt that the price paid for the audit was well worth the money. I'm working away slowly on making the needed repairs.

To find a certified energy auditor, the US Dept of Energy recommends the Residential Energy Services Network's Certified Rater Director (www.natresnet.org/directory/raters.aspx).

If you'd like a DIY audit, go to www.energystar.gov or pepco.com. *

Raising Awareness: View Action Alert and Watch Parent Video on YOU TUBE

To ensure that our community is engaged and our concerns heard by elected leaders, the Highland View PTA is encouraging all parents and community members to contact the Board of Education with personal stories and appeals during their budget planning sessions. To better understand our community, watch the Advocacy Video at www.hvespta.com and download the Action Alert on the front page.

Write Letters: Share Your Experience with Board of Education Members—Email: BOE@MCPSMD.ORG

In addition to testifying and personal outreach, the Highland View PTA is calling on all members of the community to write letters to elected leaders, cautioning against making classroom cuts that would further impact the ability of staff to meet the needs of all students. Keeping our neighborhood schools strong benefits our neighborhoods and community whether or not your children are in the public schools.

Building Relationships: PTA Testifies at Hearing and Meets with Elected Leaders

On January 19th, the HVES PTA invited County Council Member Marc Elrich to its leadership meeting to express concerns as well as hear perspectives on the budget crisis facing Montgomery County. The following night, HVES PTA President testified at the Board of Education hearing along with Northwood Cluster representative Jennifer Chambers. Their testimony can be found online at www.hvespta.com.

Supporting Community: Contribute to the "Dollar Drive" for Earthquake Victims

The month was not all about budgets. Unfortunately the earthquake directly impacted a Haitian family from Highland View. To offer support, the school has kicked off a "Dollar Drive" for the American Red Cross Haitian Relief Fund. The fund drive was launched at the evening Winter Concert program featuring the Highland View Chorus. Donations are welcome and can be dropped off in the Main Office at 9010 Providence Avenue, Silver Spring, MD 20901.

The Winter Concert was not only an opportunity to give, it reminds all of the importance of art and music education and how lucky we are to have both choral and instrumental music instruction at HVES!

Promoting Health: Don't Miss the Heart Healthy Dance on February 12th

Staying healthy and active is a priority for Highland View families. This year the PTA's Health and Wellness Committee is organizing the Second Annual Heart Healthy Dance on Friday, February 12th in the All Purpose Room from 7–9pm. The evening will feature fun 'get you moving' music, a number of kid-tested "heart healthy recipes," and valentines decorations from our classrooms. Volunteers are needed to assist, for more information and event details, contact Lynne Harris at 240-462-1483.

Building Community: Dinner Night at McGinty's Irish Pub on February 17th

Don't miss another great family outing for the HVES Community on February 17th. A portion of all dinner proceeds will support the PTA programs including our scholarship fund, field trips and cultural arts programming. The evening is a great way to have a night out while supporting Highland View. Special thanks to Deb Lea for organizing!

Reaching Out: Prospective Students Open House on February 24th at HVES

If you have a child that will be attending Highland View in the fall don't miss the Open House. The event is a great opportunity to learn more about the dedicated staff, MCPS programs and opportunities for parent involvement. In addition to a tour of the campus, the Open House provides prospective parents a small group setting to meet the staff leadership team including HVES Principal Anne Dardarian. For more details, please contact Ms. Hyder at 301-650-6426.

Experiment with Fun: Attend Science Night at HVES on February 25th at 6:30pm.

This year the PTA will host the first Science Night on February 25th starting at 6:30pm. Parent volunteers will host experiment stations for students, featuring age-appropriate lessons and demonstrations that underscore the fun in science learning. To learn more or to volunteer to support this program, contact Celeste Dillenkaker at 240-601-9147.

Make Your Grocery Count: Register Bonus Bucks and Clip Box Tops

The Box Tops Drive Continues in February—the small coupons are redeemed by the school for money that directly supports the staff and students. The funds are invaluable—last year the school was able to purchase a heavy duty indoor mat with the HVES logo as well as additional printer cartridges.

This is also a great time to make sure that Highland View is designated to receive your Bonus Bucks when you shop. To learn how to sign up, visit www.hvespta.com or contact Ingrid Pipher @ 301-589-7519.

Thanks to all who help in big and small ways to make Highland View a wonderful neighborhood school. To get involved or learn more, please contact the school at 301-650-6426 or visit www.hvespta.com. *

Garden Club Seeks Green Thumbs and Green Thumbs Wannabes

Are you counting the days until spring? Thumbing through nursery catalogs looking for the latest plants? Wishing you knew what to do with your garden, but weren't sure where to start? If so, come join your neighbors in the Indian Spring Garden Club.

The garden club is an informal group that gathers each month to discuss our gardening challenges and successes. Members host the meetings, and all levels of gardeners are welcome. Past topics have included exchanging and planting seeds, organic pest control, composting, and dividing plants.

If you're interested in receiving e-mails about upcoming meetings, please send your name and e-mail address to Jennifer Whalen at jj.whalen@verizon.net. If there is a topic you'd like to discuss, let us know that as well. Our next meeting is February 23 at 7:30 p.m. E-mail Jennifer for directions and details.
