Taste of Indian Spring—Friday, April 9

Join us for the The Taste of Indian Spring on Friday, April 9!

by Allegra Tasaki

Once again our annual ISCA Taste of Indian Spring is scheduled for Friday, April 9 at 6:30 p.m. in the Highland View Elementary School All-Purpose Room. Now that we've shoveled and melted out from the twin blizzards, it's time to get out and see our neighbors for some fun, food, and frolic! With the continued support of the Highland View PTA and Highland View Staff, our location at the school offers a great venue where we can visit our friends and neighbors, get to know our local restaurants better, and contribute to a well-established community building effort.

As in the past, the event features samples from local restaurants and potluck dishes from your neighbors and friends. The ISCA Social Committee requests that all attendees should also bring a dish to share; and we recommend that last names beginning with **A-I** bring salads, **J-N** serve side dishes and **O-Z** provide desserts;

another very welcome option is to bring your own favorite specialty.

VOLUNTEER to make this event a true success!

All volunteers are welcome to participate in a raffle for a prize that will be distributed post event. Here's where helping hands are needed:

1. **Set up:** Volunteers are needed to help assemble and arrange tables, facilitate lines, and help direct our neighbors to appropriate areas onsite.
2. **Food Service:** The more Volunteer Servers we can get to help with the food, the more everyone gets to enjoy the festivities, so please contact Allegra Tasaki to make a commitment to your neighborhood!

3. **Clean up:** Very large garbage bags and a few brooms will be provided to help with this effort. Volunteer today to ensure that we will be able to leave the Highland View Elementary School All-Purpose room in great condition, so that we may have additional opportunities to use the facility in the future.

Email Allegra Tasaki today, at tasaking@verizon.net or call at 301-565-8377 (TERP) to sign up. This is a really fun neighborhood tradition celebrating good food and good friends.

To participate in the Taste, you need to have your membership current. You can pay at the door, but to avoid having to be in that line, please pay your dues in advance. See the membership article by Phyllis Zusman elsewhere in this issue to check on your status.

ANNOUNCEMENTS

It is with great sadness that we share with ISCA the recent death of two neighbors. Saturday February 13, 2010, Robert Myers, BS MS LLD, father of Social Security in the White House from 1939 to 1984, then established the Pension System for Japan, returning to the White House under Pres Clinton, died from natural causes. He was 97 years old. He is survived by his two sons Eric and Jon and numerous grand children, Services will be in late March. He was an original home owner in ISCA. More details can be found at www.nytimes.com/2010/02/26/business/26myers.html?ref=obituaries.

On February 17, at Holy Cross Hospital, Dr. Ellis Gadol, 9508 Wire Ave died. He was the Four Corners Pharmacists for over 35 years. He is survived by his daughters, Amy, Judy, and Nancy.

(This section for announcements about new neighbors, births, deaths, weddings, graduations, etc. Send announcements to thausner@gmail.com)

Editor's note: As noted previously, we will be including interviews with noted members of our community. We would welcome suggestions for further persons to be interviewed, please send to thausner@gmail.com, 301-587-6943 and we would love to have students to serve as reporters for student service credits.

Indian Spring High School Seniors Do You Need \$2,000 Cash for College?

by Leila Collins

For the second year in a row, the Rhonda Mortensen real estate team is sponsoring a college scholarship for a graduating high school senior living in zip code 20901 or 20910. This sponsorship program started as a way for former resident Rhonda Mortensen to give back to the community. Rhonda says she is “thrilled to able to continue the program this year.”

Rhonda is a former small business owner turned real estate agent and busy mother of three. She said the idea of creating a college scholarship has always appealed to her. Given her team’s record growth over the past several years and the economic challenges beginning in 2009, the timing for this scholarship was right.

Last year’s scholarship winner was Susie Branson, a Woodmoor resident and Blair High School graduate. Susie currently attends a small private college in South Carolina and said the scholarship money “came in handy” as she and her family pieced together their funding plan. “Susie is an amazing young woman who impressed the panel of judges with her academic excellence, sportsmanship, leadership and involvement in community programs,” Rhonda said. “Our team was very happy to provide some tuition help.”

Applicants for The Rhonda Mortensen Team Scholarship are being asked to share more than their academic record. Seniors must prepare a 300-word essay about how they plan to make a contribution to their community or society at large. Rhonda’s team acknowledges that is often easy to set goals for yourself but it is also very important to help others.

Scholarship applicants must be graduating seniors accepted to a Junior or Four-Year college for the 2010-2011 academic year with a minimum 3.0 High School GPA. Applicants will be judged on a 300-word essay on “Ways I Can Make a Difference.” Along with the essay, applicants should send in the application form, and a school transcript to Rhonda Mortensen, Long & Foster, Inc. at Bethesda Gateway Office, 4650 East-West Highway, Bethesda, MD 20814. In addition, they should have three letters of recommendation reflecting their past contributions or future potential contributions sent directly to the address above. The deadline for all materials is April 16, 2010. The winner will be notified on May 10, 2010. **Application forms and complete details about the scholarship are available at www.helpmerhondarealestate.com.**

Northwood Chesapeake Bay Trail Project

by Jennifer Chambers

Last fall, Northwood High School and the Potomac Appalachian Trail Club (PATC) were awarded a Chesapeake Bay Trust grant to restore 15 acres adjacent to the school owned by the MD State Highway Administration.

On a beautiful, sunny afternoon in November, sixty volunteers, thirty-two of them Northwood students, removed 10,580 pounds of trash from the property; items such as, bed frames, broken windshields, used automotive oil, lawn mowers, and much more.

In March, volunteers, students and trail managers, constructed a trail that begins behind the high school tennis courts and continues north connecting with a trail in Northwest Branch Park. The trail benefits Northwood's Cross Country team and the Academy of Technology, Environment and System Sciences, in addition to both adjoining neighborhoods, Northwood Four Corners and Kemp Mill. Interpretive signs will be located along the trail to educate trail users about vernal pools, trash and its impact on streams, riparian buffer zones, and ways citizens can improve the health of the watershed.

On April 25, 2010 from 1:00 to 4:00 pm, a community work day is planned for neighbors and students to volunteer to clean-up trash, remove invasive plant species, and plant native plants to create a meadow. Project coordinators and interns want to engage students and neighbors in this restoration project to create ownership of and pride in the property to instill stewardship of the wooded corridor that connects Northwest Branch and Sligo Creek Parks. This land drains directly into Northwest Branch and the Chesapeake Bay watershed; therefore, the stewardship of this land will improve the health of both.

To celebrate the restoration project's completion, on June 5, 2010, National Trails Day, from 10:00 am to 12:00 pm, the five partnering organizations, Northwood, PATC, SHA, Friends of Sligo Creek, and Neighbors of Northwest Branch, will open the Northwood Chesapeake Bay Trail with a ribbon cutting ceremony and a 5K community fun run and walk.

The partnering organizations look forward to engaging students and the community in this project to restore a once unmaintained property to a beautiful meadow and wooded corridor that is healthy for the watershed and its inhabitants and an asset to Northwood High School and the surrounding community.

For more information about the project or to volunteer, please contact the project coordinators, Jennifer Chambers, PATC, at jennifer@hikingalong.com or Erol Miller, Northwood HS, at erol_k_miller@mcpsmd.org.

Advocacy Update: Parents Testify for Maintenance of Effort for Relief for MCPS

On February 24th Highland View parents traveled to Annapolis to lobby delegates to fully fund education and to pass legislation that would waive the \$23.4 million penalty related to the Montgomery County Maintenance of Effort requirements. In addition to meeting with Montgomery County delegates during a luncheon hosted by Delegate Tom Hucker, HVES parents Jill Ortman-Fouse and Amber Khan testified before the House Ways and Means Committee calling on committee members to provide relief to Montgomery County public schools and to be mindful of the diversity of needs and challenges in the Down County Consortium. Advocacy continue as the PTA leadership is calling on the community to contact the Montgomery County Council to advocate for full funding of the MCPS budget. Special thanks to Northwood Cluster representative Jennifer Chambers for organizing the day of advocacy!

HVES parent volunteers shoveling walkways

HVES Parent Volunteers Shoveling Sidewalks Featured on Local ABC Affiliate WJLA

Record snow falls left our local neighborhood schools buried and impassable for our walking community. To help aid the clean up efforts, several parents volunteered time and energy to break ice and make the sidewalks, stairs and bus circle accessible. This HVES Eagle spirit was featured during the evening news broadcast on local ABC Affiliate WJLA where news anchor Greta Krewse captured local parents and highlighted concerns for student safety. Special thanks to volunteers including Valerie Hennessey, Jimmy Hoskinson, Monica Bond-Lamberty, Amber Khan and their kids for shoveling the sidewalks and breaking ice at Highland View. A special thanks to Jim Hoskinson for providing snacks and sharing tools!

First Science Night Excites, Informs and Educates with Hands On Learning

This year's first PTA sponsored Science Night was a huge success drawing over 100+ parents and students who explored lab stations featuring experiments, demonstrations and hands on learning opportunities. The evening would not have been possible without the leadership of Celeste Raker-Dillen and a team of volunteers who donated their time and energy to making the night a success! Special thanks to Highland View Staff; our official Science Night Scientists including Ljuba Caldovic and Hiroki Morizono for the DNA extractions; Linda Akli and her daughter Ayana for building with file cards; Anne Mathews and Lynne

Harris for exercising our hearts; the Helsing family for examining density; Katie Ryan and Scott Noyes for the vegetable surprises; Jan Allen for the litmus test with red cabbage; Nan Wellins and her son Ari Charles for exploring erosion and water quality; Anne Morris for camouflage games; Russ Remy for the ever popular marshmallow structures; Jennifer Holland and HVES Alum Ben Holland for illustrating planet sizes with playdough; Jim Caron for letting us see the world through rainbow glasses; and last but not least, Theresa Cullen and Marcus Hill for lighting the way with a battery.

Throughout the evening parents and students also perused educational displays hosted by parents in partnership with outside groups including: Worm Composting by Jennifer Chambers of Audubon Naturalist Society Green Kids Program; Making Metal Work - Scrap Metal Recycling by Tom Rojas and Eileen Fisher; Testing your Nose Sense by Diane Zagreb; Ocean Facts by Kristy Wall mo of NOAA; Crabbing Safely by John Valentine of the Chesapeake Waterman Association; Exploring Space by David Ward of NASA; and Kids Crafts hosted by Marilyn Weaver to keep the younger siblings entertained.

Feasibility Study Committee for HVES Expansion—Meetings Begin in March!

The Montgomery County Public Schools will host a series of open meetings for the Feasibility Study Committee overseeing the feasibility study for the HVES expansion project. The series of public meetings will be chaired by HVES Principal Anne Dardarian and will provide opportunities for community members, neighbors and parents to have input into the project. To learn more or to participate, please contact 240-314-1007 or send an email to Rakesh_Bagai@mcpsmd.org. Open to the public, the first meeting will convene on March 9, 2010 at 7pm at Highland View Elementary School. ☞

We're About More Than Numbers...

\$2,000 CASH for COLLEGE

For our Neighbors Living in 20901 & 20910

Proudly offered by

**The Rhonda Mortensen Team
Silver Spring's #1 Buyers Agents!**

When you're ready to talk real estate, we're here but right now we're saying THANKS to our neighbors. Our business is 90% referral thanks to you so we're giving back again!

In '09 the Rhonda Mortensen Team started a **College Scholarship Program** by awarding cash for college to a graduating Silver Spring senior. We learned about some fantastic young adults and awarded the scholarship to Susie Branson ~ a leader in academics, athletics and the community.

We have **\$2,000 CASH for College** ready so we're again calling out to our Silver Spring seniors! **Details below and visit us online to learn more ~ www.helpmerhondarealestate.com!**

Susie Branson of Woodmoor & Rhonda Mortensen
