by Mary Bradford

Dear Neighbors:

Phone (

Welcome! The Indian Spring Citizens Association (ISCA) is a voluntary organization that binds together our shared community. We represent over 800 households in the area bordered by the Beltway, Colesville Road, University Boulevard, and Franklin Avenue, and it also includes homes located just south of Franklin between University and Upper Long Branch Park (off Seminole) and Moss Avenue.

It is a great place to live and raise a family – I know, because my husband Bill and I have owned our home here since 1974. Like many of you, we have enjoyed the excellent location, the beautiful parks, activities at the Y, the fine school choices, the many transportation options, and all the amenities of a revitalized Silver Spring. Plus, all the wonderful people we have come to know and love over the years.

Here are a few items that may be of interest to you:

1. COMMUNICATION. We stay in touch as a community in many ways: through our printed newsletter, our website, and, mostly importantly, our neighborhood listserv. Are you a member of this "electronic newsletter"? It is free to join, online, and it has daily updates regarding such things as play groups, yard sales, recommended service providers, and happenings of interest to the community. You are free to post your items to the listserv; there is no charge for the service! It is also the place to go for emergency updates on community safety, neighborhood construction projects, power outages, lost or found pets, and similar matters. A wonderful tool! Please encourage your neighbors to log on if they have not. You can create a separate (and free) new email address through your internet service provider if you don't want a lot of messages clogging up your regular email inbox. Or you may simply subscribe to the shorter daily digest. Go to www.iscaonline.com and join! (cont. page 2)

- 2. EVENTS. We have always hosted fun community events, such as the Fall Fest & Chili Cookoff, Taste of Indian Spring, Tree Lighting ceremony, Independence Day celebration, National Night Out, and others. Lately, it has been difficult finding volunteers to staff and plan big events, since everyone is quite busy and we all have many demands on our time. In 2016, we will be reviewing what works and what doesn't, and including other opportunities, such as a babysitting co-op. You will get a survey in 2016 to discover what YOU want, and we urge you to fill it out when you receive it.
- 3. DUES. Your ISCA dues pay for this newsletter (which is heavily subsidized by advertising), website, supplies for parties and events, and related matters. The amount is small, only \$15 per year per household (\$16 online). Please join and pay when you can. Information on paying dues appears elsewhere in this newsletter and at www.iscaonline.com
- 4. LEADERSHIP. We are seeking new officers and board members for ISCA in 2016. Could this be you? Now is the time to let us know of your interest

in giving back. Those who volunteered in the past (and had fun doing it) are retiring or moving on. PLEASE VOLUNTEER A FEW HOURS OF YOUR TIME IN 2016 AND LET'S CONTINUE THESE TRADITIONS (and maybe create some new ones!) You can pick one of the events listed above or join our board or become an officer. Let myself or another board member (see newsletter for list and contacts) know what you would like to contribute or what committee you would like to join.

Finally, on a personal note, it was a pleasure for me to step in as interim co-president in 2015, at the request of community leaders Tony Hausner and Evan Glass, but it is time to transition and bring in some new faces for 2016. Bill (who is also a block captain for our small street) and I made a big change this year: we are retired and we bought a home in Bill's Florida hometown of Destin. We are now in the process of moving there, and we will definitely miss you all VERY MUCH.

Thank you for your many years of friendship and community, and have a happy and joy-filled New Year.

Indian Spring's Story

by Tony Hausner

This history will focus on the past 20 years but will cover some earlier highlights.

It appears that the Indian Spring Country Club was built in the 1920s. Many of the houses in this neighborhood were built in the 1940s, beginning in 1940, although a few houses pre-date the development. The Indian Spring Citizens Association (ISCA) began in 1941 (see Washington Star). There are file boxes with material from the early days of ISCA.

When the Beltway was built around 1961, the country club moved to Layhill Road, and the Y took over the country club property. The portion north of the beltway later became Montgomery Blair High School.

See

http://msa.maryland.gov/megafile/msa/stagsere/se 1/se5/036000/036400/036494/pdf/msa_se5_36494 .pdf for more info on this history.

Several prominent families have lived in Indian Spring, including Herb Stein, a highly regarded economist, and his son, Ben, who is both an economist and an actor. Robert Myers, Jr., the Social Security Commissioner, was involved in the creation of Medicare and lived here until his recent death. In addition, William "Brit" Kirwan lived here when he was Chairman of the University of Maryland Math Department. Kirwan went on to be President of the University and later Chancellor of the entire University of Maryland System, from which he recently retired. His daughter still lives in the family home.

In 1978, the ISCA president at that time called a meeting. It was the first time in five years that a meeting had been called. Jorge Ribas volunteered to be President, and a year later Tony McCann took over. I served twice as President – in 1985 and one other year, which I cannot remember. ISCA residents were highly involved in a number of important civic battles in the 1980s and 1990s, including a segregation battle over Silver Spring schools, the development of downtown Silver Spring, an underpass at Four Corners, and the new Blair HS, among others. Some of these battles are described here: http://Tinyurl.com/myssstory.

One of the events that caused ISCA to become more active was the plan to build Blair HS on the opposite side of the Beltway. Several ISCA residents were active in lobbying for the new Blair. A major debate occurred in ISCA over whether or not to build an overpass to cross the Beltway so kids could walk to school from our neighborhood via the overpass directly to Blair. The community was split on this issue. At a general ISCA meeting, almost 200 persons attended and a slight majority voted against the overpass.

In the process of moving Blair, the decision was made to re-open Northwood High School, and it was selected as the primary feeder school for our neighborhood. Also, the majority of students in Indian Spring were consolidated to attend Highland View Elementary.

Around 1998, we reestablished the Taste of Indian Spring. It had been held once previously in 1980. We had the Taste from 1998 until 2014, and it was a great success until recently. In 2015, we had to cancel because lacking enough volunteers.

We have also had many years of successful Fall Fests, with Golden Ladle awards for the best chili, as well as Holiday Lighting Ceremonies, Independence Day parades, and National Nights Out. Further, we have held several house tours of remodeled homes, Earth Day cleanups, and caroling during the winter holiday season. We hope to continue a number of these traditions in the future.

In 2001, I created a Neighborhood Watch. We had about 80% of the neighborhood covered with block captains. However, that effort has died for the most part. (cont. page 4)

Indian Spring

continued from page 3

Fortunately, folks have gotten good about reporting crimes on our listservs, and that has led to the arrest of several criminals. Nevertheless, we have continued to host National Night Out every August. My efforts have since evolved into the creation of Safe Silver Spring, which focuses on crime prevention for all of Silver Spring.

ISCA residents have also been active in making our streets safer through traffic calming measures and improving safety on Franklin Ave.

Finally, ISCA residents have been very active in many aspects of the local and state governments and organizations. These include Board of Education, County Council, Silver Spring Citizens Advisory Board (SSCAB), Prezco (Presidents's Council of Silver Spring Civic Organizations), PTAs, Bus Rapid Transit (BRT) Advisory Committee, Purple Line Now, City of Baltimore Budget Office, Maryland Democratic Party, Gandhi Brigade, Silver Spring Historical Society, and many others.

Some of our recent presidents have included: Tena Tuner, Larry Ropiek, Andrew Kleine, Walter Gottlieb, Jennifer Chambers, Jill Ortman-Fouse, Evan Glass, and Mary Bradford. Quite a distinguished set!

Tree Lighting Ceremony

by Stephanie Helsing (aka Christmas Tree Lady)

I wanted to take the opportunity to once again thank everyone who was able to attend our Annual ISCA Menorah and Christmas Tree lighting. Thank you to ALL of my helpers. There were so many new friends, it was a bit overwhelming, but all the more joyous for their enthusiasm.

Thank you also for those of you who so generously donated to help support the YMCA's Youth & Family Services program. They were so appreciative, and I received the following thank you that needs to be shared.

To our Friends at ISCA.

Many children and families experience difficulties such as abuse, neglect, divorce, incarceration, alcohol or drug addictions, and mental illness and need a trusted helping hand. Your generosity allows the YMCA staff and volunteers to ignite a spark in kids, families, and communities to turn difficult situations into opportunities for growth and confidence.

I want to personally thank you for your donations and making an impact through YMCA Youth & Family Services.

Thank you for being our angels. Each year you inspire us with your generosity. :-)

Carson E. Henry III
Executive Director

It was a gorgeous evening full of cookies, hot chocolate, songs and, most importantly, lots and lots of light! Being the natural-born sap that I am (read "cries at commercials"),

I find some of the most simple rituals to be the most profound. One of my favorite things about late fall and early winter is the variety of celebrations, beginning in early November, with Dia de los Muertos (one of my favorites), Di-

wali (a lunar festival that can fall in October), Ramadan, St. Lucia's Day (most common in Scandinavia), Hanukkah and Christmas. Each of these celebrations is unique and special in its own way to the people that celebrate. What I love the most, however, is that each involves light and the hope that light offers. Whether it be in remembrance or anticipation, the use of light is universal. In the physically darkest season, it seems a fitting reminder of what has been and what is to come.

So as this Christmas approaches I would like to wish you and yours the best and may whatever light you so choose guide you and offer the peace and hope of the season!

Easy Ways to Support a Local High School

Indian Spring residents can provide "painless" support to the PTSA at Northwood HS (which teens in our neighborhood attend) in two simple ways:

Number 1: Collect your receipts from shopping at Sniders market on Seminary Road and turn them over to Indian Spring neighbor Susan Luck at susanluck@comcast.net. Northwood earns 1 percent of the aggregate grocery receipt value.

Number 2: Register your Giant Bonus card to support Northwood. (Already 115 people have registered their card, which earns the school PTSA about \$400 per month.) Go to www.giantfood.com/aplus/register-card. Under the "Register your card" box enter the first 3 letters of your last name, then your 12-digit Giant Bonus card, then click Lookup. (If you don't know your Bonus card number, call 877-366-2668.) Then you are asked to fill in the ID number of your designated school. (Northwood's school ID is 04641.) On the next screen, click "confirm my information." The Giant program runs from September 2015 until March 2016. Safeway no longer participates in the painless fundraising program for area schools.

Editor's note: The newsletter is printed in black and white to save on costs. A color version is online at iscaonline.com; so if you want to see any photos, ads, etc. in color, I recommend going online. Editor's note: As noted previously, we will be including interviews with noted members of our community. We would welcome suggestions for further persons to be interviewed, please send to thausner@gmail.com, 301-587-6943 and we would love to have students to serve as reporters for student service credits.

Wishing you good cheer in the New Year! Happy 2016!

hanks to you, it's been an exciting and eventful year for the Tamara Kucik Team. The Washingtonian named our team as one of Washington's Best Realtors. And we were again ranked nationally as America's Best Real Estate Agents by RealTrends and the Wall Street Journal!

We will finish out the year, having helped more than 128 families sell or buy their home. We sold those homes for an average of 99% of list price in an average of 15 days. We donated more than \$20,000 to charitable organizations, and hosted several events to support A Wider Circle and the local community. We are privileged to remain

Silver Spring's #1 Team for the 6th year running and we are especially proud to be Riderwood's preferred Realtor for Silver Spring! We love working with seniors! We love what we do!

We are endlessly grateful to you and your neighbors, for trusting us to help you buy and sell your homes and for referring us to new clients. The growth of our business, is all thanks to you! We look forward to serving you in 2016 and beyond. Happy Holidays and Peace to you in the New Year.

Poinsettia and toucan design wins Holiday Wrapping Paper Contest

by Christina Barron

Henry Clark, 9, of Silver Spring is selected from among more than 180 young artists. Henry picked an especially timely design for his entry in the KidsPost Holiday Wrapping Paper Contest. The bold poinsettias and toucans are appropriate for the unusually balmy weather Washington has been having recently. But it wasn't the outside temperatures that inspired the 9-year-old's paper. "I know poinsettias are a Christmassy plant, so I looked up where they came from and I knew that toucans came from there," Henry said by phone from his home in Silver Spring, Maryland. The location that the bird and plant share would be southern Mexico.

[Click here to find a printable version of Henry's design. You can use it to wrap holiday gifts.] https://www.washingtonpost.com/r/2010-2019/WashingtonPost/2015/12/08/KidsPost/Graphics/WrapWinner.pdf

"It makes me think of Christmas in warm places," KidsPost art director Alla Dreyvitser said of Henry's wrapping paper. Dreyvitser was of the judges to select the winner from more than 180 entries. She said she liked the bright colors and the craftsmanship of the layered poinsettia blooms. Once he had his design idea, Henry said, he was able to complete the project in about an hour. He used construction paper, marker and glitter for the poinsettia center, which is actually where the true flower is. (The red parts of the plant aren't petals; they're called brachts.)

Henry's creation made KidsPost curious about poinsettias' Christmas connection. There are two stories. One is a Mexican legend about a poor girl's bouquet of weeds miraculously turning into beautiful red blooms on Christmas Eve. The other is about the Ecke family, German immigrants who started selling the plants in Southern California about 100 years ago. The father-and-son team thought poinsettias' coloring would make them a terrific Christmas decoration. In the 1950s, the Eckes were able to get the plants featured on TV and in magazines, and they caught on across America. (cont on page 10)

Your ISCA Membership

by Elizabeth Magin

The Indian Spring neighborhood has a wonderful history, as Tony Hausner's article nicely described, and the Indian Spring Citizens Association has helped make this community a desirable home for many people for many years. ISCA-sponsored events such as Fall Fest & Chili Cook-off, Taste of Indian Spring, summer's Independence Day Parade & Celebration, National Night Out, House Tours, the Earth Day neighbor-hood cleanup, and more, have provided camaraderie for ISCA residents of all ages.

In the past, ISCA membership was required for only three of those events – Fall Fest, the Taste, and House Tour – but membership dues have helped provide refreshments and entertainment at some

of the others. ISCA's board met recently and reaffirmed its commitment to continuing these community-building events.

There are approximately 800 homes within Indian Spring; all receive this newsletter. Several years ago, ISCA had nearly 250 dues-paying members.

We currently have barely more than 100. For \$15.00 a year per household (\$16 if you use PayPal from iscaonline.com), you receive the benefit of the newsletter, Fall Fest, the Taste of Indian Spring, and more ways to enjoy our neighborhood.

Below is a list of members who are paid-up as of December 31. If your household had prior membership but you are not on this list, then your membership has expired. If you want to renew your membership or join ISCA, you may send a check in the amount of \$15 to ISCA's mail box, ISCA, P.O. BOX 3724, Silver Spring, MD 20918, drop it off at 108 Normandy Drive, or pay online at iscaonline.com (includes small service charge). If paying by check, please use the Membership Application and Re-newal form located on the first page of this newsletter.

I have served as ISCA's treasurer since 2008 and recently accepted the Membership Chair, reuniting those responsibilities once managed by former ISCA resident Phyllis Zusman. Please contact me at elizabeth.magin@yahoo.com or 301-655-6964 with any questions, especially if you think your household was erroneously omitted from this list.

she was not out for the path of least resistance for an easy sell, but wanted us to get the best & fairest deal possible. She was a strong negotiator and advocate on our behalf. I've always been a real-estate agent skeptic, as in our previous 2 home purchases, it felt as if our agents were paid a lot to do a little... however, I have a completely new perspective after our experience with Betty, as I believe she was worth her weight in gold & truly helped make our recent move as smooth and stress-free

"You were perfect for us. You get things done and you are so easy going. Thank you from the bottom of our hearts."

Tracy L. & Ruth W., sellers, Silver Spring

"Elizabeth stayed in touch with us regardless of whether there was anything on the immediate market that she knew we would be interested in. She listened to what we felt our needs were and worked toward that goal. When ... there arose a number of questions that the seller's agent was not informed about and ... did little to get answers to for us, Elizabeth immediately rose to the occasion, ... took over and made it all come together for us. Aside from all the extra effort she put forth, she was professional, friendly, and helpful in every way possible."
